

In subsection (b)(1) of this section, the phrase "[o]n payment of the license fee" is added to state expressly that the license fee must be paid before a license is issued.

The second clause of former Art. 56, § 466(i), as that clause required 4 votes for the issuance of a license, is deleted as erroneous. While members of the Board may participate in determining whether an applicant meets the requirements for the issuance of a license under this subtitle, the Board does not have the discretion, by a vote, to deny a license to a qualified applicant.
