(b) (1) For the purpose of determining just compensation to be paid for any building, structure, or other improvement required to be acquired by subsection (a) OF THIS SECTION, the building, structure, or other improvement shall be deemed a part of the [land] REAL PROPERTY to be acquired notwithstanding the right or obligation of a tenant, as against the owner of any other interest in the [land] REAL PROPERTY, to remove the building, structure, or improvement at the expiration of his term, and the fair market value which the building, structure, or improvement contributes to the fair market value of the [land] REAL PROPERTY to be acquired, or the fair market value of the building, structure, or improvement for removal from the [land] REAL PROPERTY, whichever is the greater, shall be paid to the tenant.
