

until the Department of Public Safety and Correctional Services has the Maryland Penitentiary examined by the Historical Trust, an independent historical architect and an independent penal architect to evaluate the historic significance of the building and to determine the feasibility of retaining the existing structure. The department shall include these findings along with a report providing information on the value of the building, cost for salvaging the building and the cost of demolition versus the cost of a new facility. The report shall also include estimates for the operating costs of a renovated facility versus a new facility. The report shall be provided to the Legislative Policy Committee no later than ~~September~~ August 1, 1989. The committee will have 45 days to review it.....
