

In subsection (a) of this section, the word "powers" is substituted for the former reference to "duties expressly conferred upon the Board by this subtitle", which was misleading and inconsistent with the power of the Board to adopt regulations.

Also in subsection (a) of this section, the phrase "to carry out this title" is substituted for the former language "necessary for the proper performance of its duties and powers", as a more accurate statement of the intended scope of this power.

Also in subsection (a) of this section, the former limitation "not inconsistent with this subtitle" is deleted as surplusage.

The introductory language of subsection (b) of this section, "[i]n addition to any duties set forth elsewhere", is added to clarify that the enumerated duties are not exhaustive.

The Secretary has general supervisory responsibility over the exercise of powers and duties, § 4-209 of this subtitle, but particularly over rulemaking. See Art. 41, §§ 1-202 and 8-104(b) of the Code.

THE BOARD SHALL PAY ALL MONEY COLLECTED UNDER THIS TITLE INTO THE GENERAL FUND OF THE STATE.

REVISOR'S NOTE: This section is new language derived without substantive change from the second sentence of former Art. 56, § 439(d).
