

It is the intent of the General Assembly that the Department of Licensing and Regulation submit a plan for the phase-down of the Division of Savings and Loan Associations due to the need for fewer personnel and an anticipated smaller scope of operations after June 30, 1989. The plan should be submitted for the review of the budget committees by September 1, 1989.

34.03.01.05 Financial Audit Services Team

General Fund Appropriation, provided that this appropriation may not be used for hiring financial examiners unless a report is jointly prepared by the Department of Licensing and Regulation and the Department of Personnel which addresses the low State salaries currently paid to financial examiners and proposes new salaries which will allow the department to recruit and retain competent personnel.....
