

In subsections (c) and (d)(1) of this section, the requirement that the barber school "hol[d] a school permit" is added to conform to § 4-602 of this title.

In subsection (d)(2) of this section, the phrase "any aspect of practicing barbering" is substituted for the former authority to teach "all practical phases" of barbering "including theory", which was misleading. In practice, an assistant barber teacher may teach all aspects of barbering.

Former Art. 56, § 432A(a)(1), which allowed a licensee to practice "[f]or compensation", is deleted as unnecessary in light of the definition of "practice barbering".

The second clause of the second sentence of former Art. 56, § 436(b), which required the supervising barber teacher to "be on the premises", is deleted as unnecessary in light of the reference to "direct" supervision.

 "Journey barber" § 4-101 "License" § 4-101
