

the express inclusion of the power to reprimand a licensee in § 4-316 of this subtitle, when read with this section, results in new express requirements that a hearing be held before the Board may reprimand a licensee and, consequently, that the review procedures of § 4-208 of this title be available to the licensee after a final Board decision to reprimand. This change is made to conform to other occupational board provisions found throughout the Code and to meet fundamental requirements of fairness.

In subsection (d) of this section, the former reference to "registered" mail is deleted for consistency. Art. 1, § 20 of the Code provides that "certified mail" includes "registered mail".

As to judicial review, see § 4-208 of this title.

The reference to being "registered" is substituted for the former reference to issuance of a "barber school student's permit" to conform to changes made in terminology throughout this article. See the General Revisor's Note to this article.
