

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from former Art. 56, § 437(a), as that subsection related to operation of a school.

Subsection (b) of this section is new language added to state expressly that which only was implied in the former law -- i.e., a separate school permit must be obtained for each school.

In subsection (a) of this section, the defined term "school permit" is substituted for the former term "barber school license", to conform to changes in terminology made throughout this article. See the General Revisor's Note to this article.

Also in subsection (a) of this section, the term "barber school" is substituted for the former reference to "a school, training or instruction agency for barbers", for brevity and consistency.

Defined terms: "Barber" § 4-101  
 "Board" § 4-101 "Person" § 1-101  
 "School permit" § 4-101
