

EACH BARBER SCHOOL SHALL:

- (1) HAVE A CURRICULUM SUFFICIENT TO TRAIN STUDENTS;
- STAFF; (2) EMPLOY A SUFFICIENT NUMBER OF TEACHERS AND OTHER
- (3) HAVE ADEQUATE PHYSICAL FACILITIES; AND
- (4) HAVE AN ADEQUATE ADMINISTRATION.

REVISOR'S NOTE: This section is new language derived without substantive change from the second sentence of former Art. 56, § 437(b), as that sentence referred to standards for a barber school.

The second sentence of former Art. 56, § 437(b) literally seemed to specify only the qualifications of an applicant for a school permit. However, close examination of former law demonstrates that the substance of the former sentence was concerned equally (if not much more) with standards of conduct required for keeping a school permit -- a concept comparable to that of listing grounds for which a license may be revoked under § 4-316 of this title. Therefore, the dual function of the standards specified in the second sentence of former Art. 56, § 437(b) is reflected by the reference to these standards in the qualifications provision of § 4-512(a) of this subtitle and by the combined reading of this section with the provisions for disciplinary action in § 4-523 of this subtitle.

In item (4) of this section, the duty to "have an adequate administration" is substituted for the former phrase "organization of the barber school ... satisfactory for its purpose", for clarity.
