

Item (2) of this section is new language added to make specific reference to a violation of the requirements for the operation of barber schools as set forth in § 4-513 of this subtitle. In any event, a violation of these standards would be subject to disciplinary action under § 4-316(8) of this title.

Items (3) and (4) of this section are new language added to conform to almost all of the occupational licensing acts adopted by the General Assembly in the past several years.

In the introductory language of this section, the reference to the power of the Board to reprimand a permit holder is added to state specifically a power that is inherent in the express power to suspend or revoke a permit.

For comparable disciplinary provisions that relate to licensees, see § 4-316 of this title.
