REVISOR'S NOTE: Subsections (a) through (c) of this section are standard language added as an inherent, if not essential, corollary to §§ 4-601 and 4-602(a) of this subtitle.

Subsection (d) of this section is new language derived without substantive change from former Art. 56, § 437(a), as that subsection related to unauthorized representations.

In subsection (d) of this section, the term "barber school" is substituted for the former reference to "a school, training or instruction agency for barbers", for brevity and consistency.

Also in subsection (d) of this section, the former words "firm, or corporation" are deleted as unnecessary in light of the definition of "person".

Defined terms: "Barber" § 4-101
