

Subsection (f)(4) of this section also is added as standard language. It follows from the requirement that there be staggered terms. An inherent aspect of staggered terms is that they must begin and end at set intervals. For circumstances under which subsection (f)(4) of this section applies, see the General Revisor's Note to this article.

Subsection (g) of this section is new language that repeats the provisions of Md. Constitution, Art. II, § 15. For other provisions on removal, see: Md. Constitution, Art. XV, § 2, on suspension and removal for crimes, and Art. 41, § 1-203 of the Code, on removal for failure to attend meetings.

In subsection (b)(4) of this section, the defined term "person" is substituted for the former list "establishment, firm, or corporation" since there seemed to be no intent to exclude individuals who manufacture or sell.

Also in subsection (b)(4) of this section, the former words "wholesale or jobbing" are deleted as unnecessary in light of the word "sells", which is not limited to retail sales.

In subsection (f)(1) of this section, the former requirement that successors of the first Board "have the qualifications, hereinabove expressed" is deleted as unnecessary in light of subsection (b) of this section and incomplete in light of subsection (c) of this section, which the former requirement did not cover.

The Business Occupations Article Review Committee notes, for consideration by the General Assembly, that former Art. 56, § 489 restricted affiliation with "any school of beauty culture" and limited membership based on graduation from "the same school of beauty culture". In light of the definition of "school of beauty culture" in former Art. 56, § 479(m), the references in former § 489 seemingly did not encompass postgraduate schools of cosmetology. Therefore, subsection (b)(3) and (5) of this section refers only to a "school of cosmetology". The Committee believes, however, that, particularly with respect to subsection (b)(3) of this section, the General Assembly may wish to preclude affiliation with a postgraduate school of cosmetology also.
