

former Art. 56, § 490, the second sentence of § 494, the first clause of § 495(d), and the first and second sentences and the first clause of the fourth sentence of § 498(a).

The introductory language of subsections (a) and (b) of this section, "[i]n addition to any [powers or duties] set forth elsewhere", is added to clarify that the enumerated powers and duties are not exhaustive.

In subsection (b)(3) of this section, the former requirement for keeping the "original copy" of all records in the principal office is deleted as too narrow in light of current recordkeeping practices.

In subsection (b)(4) of this section, the reference to "persons regulated by the Board" is substituted for the former limited reference to "applicants and license holders", to cover permit holders and registrants.

The first clause of the third sentence of former Art. 56, § 498(a), which provided that books and records of the Board are prima facie evidence, is deleted as unnecessary in light of the provisions on admissibility in CJ § 10-204.

The second clause of the third sentence of former Art. 56, § 498(a), which provided that records of the Board constitute public records, is deleted as unnecessary and misleading in light of the more general provisions about access to public records in SG §§ 10-611 through 10-628.

Defined terms: "Board" § 5-101
 "License" § 5-101 "Person" § 1-101

5-208. DISPOSITION OF MONEY.

THE BOARD SHALL PAY ALL MONEY COLLECTED UNDER THIS TITLE INTO THE GENERAL FUND OF THE STATE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, § 495(e).

The reference to "all money collected under this title" is substituted for the former limited reference to fees for "the issuance or renewal of certificates of registration", since, in fact, the Board collects fees for other services as well, and all of the fees are paid into the General Fund.
