

(3) FOR PURPOSES OF THE DIRECT SUPERVISION REQUIRED FOR STUDENTS PRACTICING COSMETOLOGY UNDER THIS SUBSECTION, A TEACHER MAY NOT SUPERVISE MORE THAN 8 STUDENTS AT ONE TIME.

REVISOR'S NOTE: Subsections (a)(1) and (2)(i) and (iii) and (b)(1), (2)(i) and (iii), and (3) of this section are new language derived without substantive change from former Art. 56, § 486(a) and (a-1).

Subsections (a)(2)(ii) and (b)(2)(ii) of this section are new language added to state expressly that which only was implied in the former law -- i.e., a student may practice only under supervision. These additions are supported by the third sentence of former Art. 56, § 486(a-1), which set a student to teacher ratio. However, despite the word "section", in the former third sentence, which would encompass the provisions revised in subsections (a) and (b) of this section, the former sentence is revised to apply only to subsection (b). This revision conforms to the practice of the Board and also is consistent with the placement of the former sentence in § 486(a-1).

In subsections (a)(1) and (b)(1) of this section, the phrase "at least" is added to indicate that the number of hours of training is a minimum number.

Also in subsections (a)(1) and (b)(1) of this section, the references to a "school of cosmetology" are carried over from former Art. 56, § 486(a) and (a-1), since the definition of "post graduate school of beauty culture", in former Art. 56, § 479(n), seemed to limit students at postgraduate schools to licensees. See the revisor's note to § 5-101(g) of this title.

In subsections (a)(2)(i) and (b)(2)(i) of this section, the word "practical" is substituted for the former word "clinical", for clarity.

In subsection (b) of this section, the words "public and private", which formerly modified the words "hospitals and nursing homes", are deleted as surplusage.

Also in subsection (b) of this section, the words "State and local", which formerly modified the words "correctional facilities", are deleted since there seemed to be no intent to preclude practice in a federal facility.
