

in this paragraph shall not be exercised nor applicable to the acquisition of any site for the establishment or construction of the [market or the park] PROJECTS, nor shall the [market or the park] PROJECTS be established or constructed unless the site therefor shall have been first approved, in the case of the City of Baltimore, by the board of estimates, or in the case of any other political subdivision [within the Greater Baltimore Region or Worcester County], the county commissioners or county executive as the case may be;

(8) Assist wholesale food dealers and tenants who wish to LOCATE OR relocate their operations [to the market or who wish to locate their operations in the market or the park] IN A PROJECT. In furtherance of such power, the Authority may acquire, by negotiation and purchase, the land, buildings, structures, facilities, equipment, leases, or any interest therein, and may pay all or a part of reasonable moving expenses for personal property necessary to be moved in the relocation or location of those dealers and tenants who, in the best judgment of the Authority, afford the greatest opportunity of success for [the market or the park] A PROJECT, and which expenses of acquisition, location, or relocation the Authority, in the responsible exercise of its discretion, believes it has the most favorable opportunity of regaining;

13-108.

The political subdivisions of the State in which [the market and the park are] A PROJECT IS located may vacate any or all streets, alleys, or other public places required to assure proper operation of the [market and the park] PROJECT and the full and complete utilization of [their] ITS facilities, and may grant to the Authority the exclusive right to use the vacated streets, alleys, or other public places for the purpose of the [market or the park] PROJECT, subject to such terms and conditions and in such manner as the political subdivisions and the Authority may lawfully agree upon.

13-109.

The State or any of its political subdivisions in which [the market and the park are] A PROJECT IS located may provide for cleaning the [market and the park] PROJECT and for the removal and disposition of refuse from any areas of the [market and the park] PROJECT, subject to such terms and conditions and in such manner as the Authority and the State or the political subdivisions may lawfully agree upon.

13-110.

(h) After all principal of and interest on all revenue bonds issued under the authority of § 13-111 of this subtitle shall have been paid in full, and [market and park] PROJECT
