

In subsection (d)(1)(ii) of this section, the term "required program" is added for clarity.

In the introductory language of subsection (d)(3) of this section, the reference to a master barber is added to correct an anomalous situation under former Art. 56, § 482(a)(2), which provided for credit only for journey barbers, although master barbers are more highly trained. In practice, the Board credits master barbers and journey barbers.

Also in the introductory language of subsection (d)(3) of this section, the former requirement that the journey barber be trained in this State is deleted since, in practice, the Board allows credit if the barber is licensed in this State, regardless of where the barber trained.

In subsection (d)(3)(ii) of this section, the former cross-reference to former Art. 56, § 485(a)(6) is deleted as repetitious of the requirements for a journey barber.

In subsection (d)(4) of this section, the reference to the "Office of Dependents' Education" is substituted for the former reference to the "Office of Dependent Schools", to conform to 20 U.S.C.A. § 922(a)(1).
