

the power of the Board extends beyond merely setting the hours. See, e.g., § 5-205 of this title.

In subsections (c)(3)(ii) and (d)(2)(ii) of this section, the word "registered" is added to modify "apprentice" since an apprentice must be registered by the Board. See § 5-401(b) of this title.

In subsection (c)(3)(ii) of this section, the reference to the "holder of a limited license to provide esthetic services" is added to conform to the practice of the Board.

In subsection (d)(2)(ii) of this section, the reference to a "licensed cosmetologist" is added to clarify that, in practice, the Board also allows the more extensively trained licensee to supervise an apprentice.

In subsection (e)(3)(ii) of this section, the reference to a "registered apprentice" is substituted for the former, erroneous reference to a "wig stylist". Similarly, the phrase "under the supervision of a licensed cosmetologist or a holder of a limited license to provide wig styling services" is added to conform to the practice of the Board. Absent this substitution or addition, it would seem that an unlicensed individual, in effect, could provide wig styling services with no supervision.

The introductory exception in subsection (f) of this section, "[e]xcept for an applicant for a limited license to provide demonstrating services", is added to reflect that, while former Art. 56, § 481 provided generally that a person shall pass an examination "as to fitness ... to be a demonstrator", former Art. 56, § 482(b), which listed specific qualifications for demonstrators, did not include a requirement for an examination. In practice, the Board does not require an applicant for a demonstrator license to pass an examination.

The Business Occupations Article Review Committee notes, for consideration by the General Assembly, that, unlike § 5-304 of this subtitle, this section does not provide for credit to be given for education in a cosmetology school outside of the State.
