REVISOR'S NOTE: Subsection (a) of this section is new language added to introduce the basic requirements for an applicant for a license.

Subsections (b) and (c) of this section are new language derived without substantive change from former Art. 56, § 482(d) and (e).

Subsection (d) of this section is new language derived without substantive change from former Art. 56, § 481, as that section related to passing an examination to teach beauty culture, and rephrased in standard language used throughout this article.

In subsections (b) and (c)(4)(i)1 of this section, the references to an "assistant" teacher are substituted for the former references to a "junior teacher" to conform to similar titles elsewhere in this article. Accordingly, in the introductory language of subsection (c) of this section, the reference to a "teacher" is substituted for the former reference to a "senior teacher".

In subsection (b)(2) and the introductory language and items (i)2 and (ii)1 of subsection (c)(4) of this section, the phrase "at least" is added to clarify that the numbers are minimum numbers.
