REVISOR'S NOTE: Subsection (a) of this section is new language added to introduce the basic requirements for an applicant for a license.

Subsections (b) through (d) of this section are new language derived without substantive change from the first sentence of former Art. 56, § 482(i).

Subsection (e) of this section is new language derived without substantive change from former Art. 56, § 481, as that section related to passing an examination to teach beauty culture, and rephrased in standard language used throughout this article.

In the introductory language to subsections (b), (c), and (d) of this section, the references to "a license to teach cosmetology limited to providing" esthetic, manicuring, or wig styling services are substituted for the former reference to a "certificate as an instructor of one of the specialized courses of beauty culture provided in § 485(d) of this subtitle", for clarity. In any event, the former cross-reference was incorrect.
