

Subsection (d) of this section is new language derived without substantive change from former Art. 56, § 481, as it related to passing an examination to manage a beauty shop, and rephrased in standard language used throughout this article.

In subsection (a) of this section, the former reference to "senior manager" is omitted since there is only 1 category of licenses to manage a beauty salon.

Subsection (c)(1) of this section is revised to state affirmatively that an individual may apply for a managers license only if the individual is a licensed cosmetologist. This revision avoids the ambiguity in the first sentence of former Art. 56, § 482(c), which seemed to impose the requirements now revised in subsections (b) and (c)(2) of this section only on licensed cosmetologists, while imposing no requirements on other applicants. In practice, no other applicants may apply.

In subsection (c)(2) of this section, the phrase "at least" is added to clarify that the number is a minimum number.

Defined terms: "Beauty salon" § 5-101
