

(C) COSMETOLOGIST AIDE.

IN ADDITION TO THE OTHER REQUIREMENTS OF THIS SECTION, AN APPLICANT FOR A COSMETOLOGIST-AIDE LICENSE SHALL SUBMIT TO THE BOARD A CERTIFICATE THAT IS MADE UNDER OATH BY AN AUTHORIZED PHYSICIAN AND CERTIFIES THAT THE APPLICANT IS FREE FROM ANY CONTAGIOUS OR INFECTIOUS DISEASE THAT PRESENTS A HAZARD TO A BEAUTY SALON PATRON.

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from former Art. 56, § 481, as that section related to applications for registration, and the first sentence and, as it related to registration, item (e) of the second sentence of § 500.

Subsection (b) of this section is new language derived without substantive change from the fourth clause of former Art. 56, § 482(b).

Subsection (c) of this section is new language derived without substantive change from former Art. 56, § 481, as that section related to health certificates.

The introductory exception in subsection (a)(2) of this section, "except as provided in § 5-312 of this subtitle", is added to reflect that a different application fee is paid by an applicant who waives the examination requirement.

In subsection (a)(2) of this section, the reference to an "application fee" is substituted for the former references to an "examination fee", since, in fact, the fee is paid on application for a license for both the application and, if applicable, examination processes.

In subsection (c) of this section, the reference to a certificate that "certifies that the applicant is free from any infectious or contagious disease that presents a hazard to a beauty salon patron" is substituted for the former reference to a "health" certificate, for clarity.

Also in subsection (c) of this section, the reference to an "authorized" physician is substituted for the former reference to a "registered licensed physician of Maryland", for clarity and brevity.

The third sentence of former Art. 56, § 500, which provided for paying fees "in advance to the secretary of the Board", is deleted as obsolete. See the revisor's note to § 5-204 of this title.
