

REVISOR'S NOTE: Subsection (a)(1) of this section is new language added to state expressly that the Board must give notice to qualified applicants. This addition conforms to the practice of the Board.

Subsection (a)(2) of this section is new language derived without substantive change from former Art. 56, § 481, as that section related to submission of health certificates and deposit of registration fees, and items (a) and (b) of the second sentence of § 500, as those items related to registration fees. Although former Art. 56, § 481 required that the certificate and fee accompany an application, it has been the practice of the Board to require submission of a certificate and payment of a license fee only after an applicant has met all of the other requirements for licensure.

Subsection (b) of this section is new language derived without substantive change from the first sentence of former Art. 56, § 493, as that sentence related to issuing certificates of registration to those who pass the required examinations and pay the required fees, and rephrased in standard language, which covers applicants who waive the examination requirement.

Subsection (c) of this section is new language derived without substantive change from the second clause of former Art. 56, § 495(d).

In subsection (a)(2)(i) of this section, the reference to a certificate that "certifies that the applicant is free from any infectious or contagious disease that presents a hazard to a beauty salon patron" is substituted for the former reference to a "health" certificate, for clarity.

Also in subsection (a)(2)(i) of this section, the reference to an "authorized" physician is substituted for the former reference to a "registered licensed physician of Maryland", for clarity and brevity.

In subsections (a)(2)(ii) and (b) of this section, the term "license fee" is substituted for the former term "registration fee", for clarity and uniformity. The fee paid by an individual who qualifies for a license is described throughout this article as a license fee.
