

(b) (1) The Administration may issue a NONCOMMERCIAL Class B, [D, or E] C, OR M license to an individual under the age of 18, if he is at least 16 years old and has completed satisfactorily a driver's education course approved under Subtitle 5 of this title.

(2) The individual shall be exempt from the laboratory instruction required by Subtitle 5 of this title, though not the required classroom instruction, if:

(i) He has been licensed regularly to drive in another state for at least 6 months; and

(ii) He establishes to the satisfaction of a classroom instructor certified under Subtitle 5 of this title that his driving experience is sufficient to justify the exemption.

(c) [Notwithstanding any other provision of this title, a Class B licensee may not be authorized to drive vehicles requiring a Class C license unless he is at least 18 years old.

(d)] The Administration may not issue a learner's INSTRUCTIONAL permit to any individual who has not reached the age of 15 years, 9 months.

16-103.2.

(a) (1) An individual may not drive a Type I school vehicle (school bus) on any highway in this State unless he holds:

(i) A driver's license issued under this subtitle of a class that authorizes him to drive the particular type of vehicle; and

(ii) A certificate issued by the Administration stating that the holder meets the vision requirements of § 16-110.1(a) and (b) of this subtitle.

(2) On application by a holder of a driver's license, the Administration shall issue without charge a certificate, valid for 4 years, stating that the applicant meets the vision requirements of § 16-110.1(a) and (b) of this subtitle, if the applicant:

(i) Is found to meet these vision requirements on being tested by the Administration; or

(ii) Presents a written certification acceptable to the Administration from a licensed physician or optometrist attesting that the applicant meets these vision requirements.
