

participated in the administrative proceedings as an objector, and who is aggrieved by the decision of the Department, or if the Department fails to act within the time limits specified in this subtitle, shall have the right to judicial review in accordance with the § 10-215 of the State Government Article.

7-507.

(c) [(3) Committee members may enter on any open-pit operation to determine land reclamation conditions and progress. Any deficiency noted shall be reported to the Department. The Committee may order the Department to suspend the permit until corrective action is taken.]

7-510.

[(a)] To encourage optimum revegetation, the Committee may recommend to the Department that it contribute up to 50 percent of the cost of fertilizer, lime, and seed required by an approved mining and reclamation plan.

[(b) The Department may receive funds from any source and, on approval of the Committee, expend the funds for reclamation and revegetation of any strip-mined area.]

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1989.

Approved May 19, 1989.

CHAPTER 311

(Senate Bill 124)

AN ACT concerning

Wetlands - Amendments of Maps and Regulations

FOR the purpose of authorizing the Secretary of Natural Resources to modify, correct, or update the existing wetlands boundary maps and to amend the existing rules and regulations pertaining to private wetlands; requiring certain notices and public hearings; requiring maps and regulations to be filed in a certain manner; clarifying the effect of wetlands map amendments on the designation of the Chesapeake Bay Critical Area; clarifying the definition of public notice; and generally relating to the amendment of wetlands maps and regulations.
