

advance of the date of the expiration of the certificate. Failure to receive notice does not prevent the certificate from becoming invalid after the expiration date. Renewal may be effected at any time prior to July 1 by the payment of a fee of [\$90] \$150 for professional land surveyors and [\$80] \$100 for property line surveyors. Renewal shall be evidenced by the issuance of a biennial registration card, bearing the date of expiration and the signatures of the chairman and secretary of the Board. On failure of any registrant to renew his certificate biennially prior to July, as required above, his right to practice shall be invalidated, but the certificate may be renewed at any time within the next succeeding 24 months upon the payment of a fee of [\$100] \$200 for professional land surveyors and [\$90] \$150 for property line surveyors. Renewal shall be evidenced by the issuance of a biennial registration card, bearing the date of expiration and the signatures of the chairman and secretary of the Board. If any registrant fails to renew his certificate within the 24 month period provided above, and later applies for renewal, he may be required to present reasons for the renewal. The Board may grant a renewal of the certificate, in which case the renewal fee is the same as the registration fee for professional land surveyors or for property line surveyors.

(d) The fee for land surveyor-in-training is \$10 and shall include the cost of examination and issuance of the certificate.

(e) The registration fee for a certificate of authorization for a corporation or partnership is [\$50] \$150 and the renewal fee shall be [\$120] \$150. Certificates of authorization shall expire on the last day of June and shall be invalidated after that date unless biennially renewed.

(f) If the Board denies the issuance of a certificate of registration to any applicant or a certificate of authorization to any corporation or partnership, the initial fee deposited shall be retained as an application fee.
