

Subsection (a) of this section is revised as an express statement of that which is clearly implicit from the requirement, in former Art. 56, § 480(c), for an application for a certificate of registration to state the name of the manager of a beauty shop and from the provisions of former Art. 56, § 482(c) that exempted limited practice beauty shops from employing a manager.

In subsection (c) of this section, the former reference to the practice normally performed by "an electrologist" is deleted as unnecessary in this title. Electrologists are regulated under Title 5 of the Health Occupations Article.

Defined terms: "Beauty salon" § 5-101
