REVISOR'S NOTE: Subsections (a) and (c)(2) and (3) of this section are new language derived without substantive change from item (a) of the second sentence of former Art. 56, § 500, as that item related to renewal fees, and the second sentence of § 501(a) and, except for the reference to students, the first sentence of (b).

Subsection (b) of this section is new language added to conform to the practice of the Board and to similar provisions governing other State-regulated business occupations. In light of this addition, in subsection (c)(3) of this section, the former phrase "on request" is deleted. As with other occupational boards in the Department, the Board automatically sends renewal notices and applications to permit holders.

Subsection (c)(1) of this section is standard language added for clarity.

Subsection (d) of this section is standard language added to state expressly that which only was implied in the former law -- i.e., the Board must renew the permit of a qualified applicant.
