

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, § 485(a)(6)(i) and (iv).

Former Art. 56, § 485(a)(6)(i) and (iv) literally seemed to specify standards only for obtaining a school permit. However, close examination of the former law demonstrates that the substance of former Art. 56, § 485(a)(6)(i) and (iv) was concerned equally (if not much more) with standards of conduct required for keeping a school permit -- a concept comparable to that of listing grounds for which a license may be revoked under § 5-320 of this title. Therefore, the dual function of the standards specified in former Art. 56, § 485(a)(6)(i) and (iv) is reflected by the reference to these standards under the qualifications provision of § 5-511 of this subtitle and by the combined reading of this section with the provisions for disciplinary action in § 5-523 of this subtitle.

In subsection (a)(2)(ii) of this section, the phrase "of equipment" is added for clarity.

In subsection (b) of this section, the former requirement that the program "comprise all or a majority of the practices of beauty culture" is deleted in light of § 5-510(b) of this subtitle.

In subsection (c)(3) of this section, the former reference to "the Board of School Commissioners of Baltimore City" is deleted as encompassed in the broader reference to a "county board of education".
