

In subsection (a)(1) of this section, the words "licensed" and "registered as such", which formerly modified the word "teachers", are deleted as unnecessary and, to the extent that the former words suggested that a school may employ other teachers, misleading. See § 5-602 of this title.

In subsection (a)(3) of this section, the former word "apparatus" is deleted as unnecessary in light of the word "equipment".

In subsection (a)(6) of this section, the duty to "require" a student to take an examination is substituted for the former duty to "hold" examinations, for clarity.

Subsection (a)(9) of this section is revised as a duty of a school of cosmetology, rather than merely a "school licensed under this subtitle", to avoid the unintended implication that a school that does not obtain a school permit may obscure its activities by using a name that is less clear than the name of a school that holds a school permit.

In subsection (a)(9) of this section, the defined term "cosmetology school" is substituted for the former limited reference to a "school of beauty culture", to allow the name of a school of cosmetology to reflect its association with a postgraduate school of cosmetology. See the revisor's note to § 5-514 of this subtitle.

In subsection (b)(1) of this section, the reference to a master barber is added to correct an anomalous situation under former Art. 56, § 485(a)(6)(ii), which provided for credit only for journey barbers, although master barbers are more highly trained. The Board credits master barbers and journey barbers.

Also in subsection (b)(1) of this section, the former requirement that the journey barber be trained in this State is deleted since, under § 5-304 of this subtitle, the Board allows credit if the barber is licensed in this State, regardless of where the barber trained.

In subsection (b)(2) of this section, the defined term "cosmetology school" is substituted for the former reference to a "program of cosmetology training", to conform to § 5-304(d) of this title.

Also in subsection (b)(2) of this section, the reference to the "Office of Dependents' Education" is
