

Item (5) of this section is revised to apply specifically to a postgraduate school of cosmetology. Former Art. 56, § 485(b) imposed restrictions on the name of a "school licensed under this subtitle" and, thus, seemed to apply both to schools of cosmetology and to postgraduate schools of cosmetology. However, the restriction that the name designate the school as "a school of beauty culture" seemed to limit the otherwise broad reference to a school "licensed under this subtitle". The revision seems consistent with the purpose of the restriction and, therefore, retains its broad scope.
