

(2) For each brand and grade of commercial fertilizer and each soil conditioner distributed in packages of 10 pounds or less and in packages over 10 pounds, the annual [\$25] \$30 registration fee applies, and only the portion distributed in packages over 10 pounds is subject to the inspection fee of [20] 25 cents per ton.

(b) (1) Mixed-to-order, buyer's mixture, or custom-mix fertilizer is exempted from the registration fee, but the inspection fee shall be paid.

(2) Distribution of fertilizer materials to manufacturers or exchange between them is exempted.

6-209.

(a) [Any] EACH person who [distributes] REGISTERS any commercial fertilizer or soil conditioner in the State shall furnish the Secretary with a semiannual written statement of the tonnage of each grade of commercial fertilizer or each soil conditioner [sold by him to distributees] DISTRIBUTED in the State. This statement shall include every sale for the periods of January 1 through June 30 and July 1 through December 31 of each year. [If more than one person is involved in the distribution of these materials, the person who distributed to the consumer is responsible for paying the inspection fee, unless payment has been made by a prior distributor of the product.]

(b) If the tonnage report is not filed and the inspection fee is not paid within [30] 31 days after the end of the semiannual period, a collection fee amounting to 10 percent of the amount, or a minimum of \$10, shall be assessed against the registrant. The amount of fees due constitute a debt and may become the basis of a judgment against the registrant.

6-211.

[No] A person may NOT distribute AN ADULTERATED OR misbranded [products] FERTILIZER OR A MISBRANDED SOIL CONDITIONER.

6-214.

(a) [If the Secretary finds any lot of commercial fertilizer or soil conditioner is being distributed in violation of any provision of this subtitle or any rule or regulation under it, he may issue and enforce a written or printed "withdrawal from sale" order warning the distributor not to dispose of the lot of fertilizer or soil conditioner in any manner until written permission is obtained from the Secretary or the court. The Secretary shall release the withdrawn product when the provisions and regulations are complied with and all costs and expenses incurred in the withdrawal are paid. If compliance is not
