

(2) THE INDIVIDUAL SHALL SIGN THE INSPECTION REPORT FOR THE BEAUTY SALON OR COSMETOLOGY SCHOOL TO ACKNOWLEDGE RECEIPT OF A COPY OF THE REPORT.

REVISOR'S NOTE: Subsections (a), (b)(1), and (c) of this section are new language derived without substantive change from former Art. 56, § 479(i), the third and fourth sentences of § 499(a), and, as they related to inspectors, the fifth and sixth sentences of § 492.

Subsection (b)(2) of this section is new language added to state expressly that which only was implied in the former law -- i.e., the Board may inspect the facilities of applicants for beauty salon permits and school permits. In practice, before the Board issues a permit to a new beauty salon or new cosmetology school, the Board conducts an inspection.

Subsection (d)(1) of this section is new language added to state expressly that which only was implied by the requirement that the report be signed.

Subsection (d)(2) of this section is new language substituted for the fifth sentence of former Art. 56, § 499(a), which provided only for managers to sign reports. In practice, the individual who accompanies the inspector signs the report.

In subsection (a)(1) of this section, the word "appoint" is substituted for the former word "employ" for clarity and conformity to the practice of the Board.

Also in subsection (a)(1) of this section, the phrase "to conduct inspections" is substituted for the former phrases "to assist the Board in the discharge of its duties", for brevity and clarity.

In subsections (b)(1) and (c)(1) and (3) of this section, the defined term "cosmetology school[s]" is substituted for the former references to "schools of beauty culture" and "schools" to clarify that the power to inspect extends to a postgraduate school.

In subsection (c)(3) of this section, the reference to the "owner or lessee" of a school accompanying an inspector on an inspection tour is added for clarity. This addition conforms to the practice of the Board.
