

(1) May adopt regulations to require radon testing facilities to send test results to the Department; and

(2) May not disclose, in response to a request from the public for the name of a radon testing facility, the name of a radon tester that is not a listed facility.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act is an emergency measure, is necessary for the immediate preservation of the public health and safety, has been passed by a yeas and nays vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, and shall take effect from the date it is enacted.

Approved May 19, 1989.

CHAPTER 530

(House Bill 1373)

AN ACT concerning

Harford County - Alcoholic Beverages - Eating Licenses

FOR the purpose of altering the annual license fee for a special Class B (inn) alcoholic beverages license in Harford County and permitting these licensees to sell certain alcoholic beverages for on-premises consumption at events catered by the licensee; ~~permitting the licensee to contract with patrons to permit them to bring personal alcoholic beverages onto the premises of the caterer for consumption at the catered event~~ providing for a certain condition; requiring the Liquor Control Board to adopt certain regulations concerning the use of the license; requiring food to be served at catered events where alcoholic beverages are provided; and generally relating to special Class B (inn) alcoholic beverages licenses in Harford County and providing alcoholic beverages at catered events altering a certain restriction on the issuance of any alcoholic beverages licenses in Harford County to establishments that are located within a certain distance from a public or nonpublic school in a municipal corporation in Harford County; permitting the transfer of an alcoholic beverages license issued for use in a business in Harford County if the business is sold to a different owner; specifying certain transfer requirements; providing for a transfer charge under certain circumstances; permitting the transferee to continue to operate under the license without certain additional charges until the expiration of the license; providing for a
