

To the extent possible, new language added by Ch. 648 and existing law retained by Ch. 648 were conformed to the other titles proposed for inclusion on enactment of this article. Therefore, only minor changes have been necessary in the revision of this title.

During the 1988 session, the General Assembly also enacted Ch. 131, which added former Art. 56, § 542B to provide for termination of the provisions on electricians contained in Art. 56, in 1993, subject to reestablishment under the Md. Program Evaluation Act. Since Ch. 648, Acts of 1988, repealed all of the provisions to which former Art. 56, § 542B was to have applied and added a substantially similar provision -- now § 6-702 of this title -- former Art. 56, § 542B is deleted.
