

(8) Conforms with any coastal zone management program developed by the State of Maryland pursuant to the federal Coastal Zone Management Act of 1972;

(9) Would have no material adverse effect upon critical areas identified and designated pursuant to § 5-611 of the State Finance and Procurement Article and Article 66B, § 3.05;

(10) Would not impose, directly or indirectly, a substantial burden on existing State, regional, or county public facilities beyond their respective capacities, or that new public facilities, if necessary, either:

(i) Would not be completed in time to serve the facility; or

(ii) Would be inadequate to serve the facility without causing overloading of the public facilities; and

(11) Evidences fewer undesirable environmental, economic, fiscal, and cultural consequences in its specific or general proposed location than other specific or general locations.

6-509.

(b) A request for judicial review may be made only by an aggrieved party, by a properly designated official of the county government where the proposed facility is to be located, or by the [State] OFFICE OF Planning [Department] pursuant to § 5-611 of the State Finance and Procurement Article.

6-602.

(a) Before the Board of Public Works may solicit bids for or award any lease for production of oil or natural gas from beneath lands or waters of the State, and after receiving the written recommendation of the Chesapeake Bay Critical Area Commission (if the leased area is located in the State's critical areas) and the advisory comments of the Secretaries of BUDGET AND FISCAL PLANNING, Natural Resources, [State Planning,] the Environment, and Economic and Employment Development AND THE DIRECTOR OF PLANNING, the Board of Public Works shall direct the Secretary of Natural Resources in consultation with the Secretaries of the Environment, Economic and Employment Development, and [State] BUDGET AND FISCAL Planning AND THE DIRECTOR OF PLANNING to prepare a statement of environmental, fiscal, and economic impact of the proposed lease.
