

requires to determine which regional planning projects programmed by the Commission qualify for State assistance.

(2) On or before August 1 of each year, the Commission shall provide the [Secretary] DIRECTOR with a copy of the proposed budget of the Commission for the following fiscal year. After the copy of the proposed budget is provided to the [Secretary] DIRECTOR, the Commission shall promptly notify the [Secretary of] DIRECTOR and obtain the approval of the [Secretary] DIRECTOR for any changes in the proposed budget for regional projects funded under this section.

(f) The [Secretary] DIRECTOR may require an annual audit of the operations of the Commission that relate to any project financed wholly or partly by payments to the Commission from the [Department] OFFICE.

5-501.

The [Department] OFFICE shall establish a central depository for all general, area, and functional plans related to this title, and all amendments or revisions to these plans, that are prepared by:

(1) any unit of the State government, of a regional government, or of a local government; or

(2) any interstate agency.

5-502.

Each unit of the State government, of a regional government, or of a local government, and each interstate agency, shall submit to the [Department] OFFICE the plans required by regulations adopted by the [Secretary] DIRECTOR.

5-503.

(a) The [Department] OFFICE shall establish statewide classification standards for geographically referencing all basic planning information collected by any unit of the State government.

(b) The classification standards may be used by any unit of the State or of a local government.

5-504.

(a) The [Department] OFFICE shall be a repository and clearinghouse for information about real property available for public use.
