

- (1) REQUEST OF THE LICENSEE; AND
- (2) PAYMENT OF A REPLACEMENT FEE OF \$5.

REVISOR'S NOTE: Subsection (a)(1) and (3) of this section is new language added to state expressly that which only was implied by the reference, in the third sentence of former Art. 56, § 311, to a failure to pay the fee "after being notified by mail that the applicant has qualified" -- i.e., the Board must notify qualified applicants.

Subsection (a)(2) of this section is new language derived without substantive change from the second sentence of former Art. 56, § 311, as that sentence related to the "balance to be paid upon issuance of the license", and rephrased as part of the notice requirement.

Subsection (b) of this section is new language derived without substantive change from the third sentence of former Art. 56, § 311 and the first sentence of § 313.

Subsection (c) of this section is new language derived without substantive change from the second sentence of former Art. 56, § 313.

Subsection (d) of this section is new language derived without substantive change from the twelfth sentence of former Art. 56, § 317, except as that sentence related to a revoked license.

In subsection (a)(2) of this section, the reference to a "\$30 license fee" is substituted for the former reference to a total \$75 fee, \$45 of which is an application fee with "the balance to be paid on issuance of the license", for clarity.

Subsection (d) of this section is revised as a duty, rather than a power, to conform to the practice of the Board. Accordingly, the reference to a "request" is added.
