(b) Subsection (a) does not apply to a minor under 18 years of age who has been issued a work permit for one of the following reasons:

(1) The minor is enrolled in a work-study, student-learner, or similar program where the employment is an integral part of the course of study, and the employment is procured and supervised through the efforts of the school systems in the various subdivisions;

(2) The minor is employed in purely office work or duties performed outside of rooms where goods are manufactured or processed; or

(3) After investigation, the minor is issued an exception by the Commissioner if it has been determined that the work performed and the area in which it is performed is not hazardous to the minor.

(c) A minor under 18 years of age may not spend more than twelve hours in a combination of school hours and work hours per day.

(d) A minor under 18 years of age shall have at least eight consecutive hours of nonwork, nonschool time in each 24 hour day.

(e) The Commissioner may grant an exception to the hourly restrictions in subsections (c) and (d) if he determines that there will be no hazard to the health and welfare of the minor.
