

Subsection (b) of this section is new language added to conform to the practice of the Board and to similar provisions governing other State-regulated occupations.

Subsection (c)(1) of this section is new language added for clarity.

Subsections (c)(2) and (3) and (d) of this section are new language derived without substantive change from the first sentence of former Art. 56, § 278(h) and the second sentence of § 280(c)(2).

Subsection (e) of this section is new language added to state that which only was implied in the former law -- i.e., the Board must renew the permit of a qualified permit holder.

In the introductory language of subsection (a) of this section, the defined term "permit" is substituted for the former reference to a "certificate of authorization", to provide a term that describes the authority granted to a partnership or corporation and is consistent with the language used to describe similar grants of authority in connection with other business occupations that are regulated under this article. See the General Revisor's Note to this article.

In subsection (c)(3) of this section, the phrase "on the form that the Board provides" is standard language added to conform to similar provisions elsewhere in this title.

Defined terms: "Board" § 9-101
"Permit" § 9-101
