

waste management also shall be based on but not necessarily limited to a formula reflecting the volume and characteristics of the wastes as they influence transportation, purification, final disposal, and time pattern of discharge.

(b) If a municipality fails to pay the Service for projects provided pursuant to this subtitle within 60 days of the due date, as established by contract, all State funds, or that portion of them required, relating to the income tax, the tax on racing, the recordation tax, the tax on amusements and the license tax thereafter to be distributed to the municipality shall be paid by the Comptroller of Maryland directly to the Service until the Service is reimbursed.

(c) If a person fails to pay the Service for projects provided by this subtitle within 60 days of the due date, as established by contract, the unpaid bill becomes a lien against the property served, if it is recorded and indexed as provided in this subtitle, and shall be referred to the Attorney General for collection.

(d) The governing body of any county may charge the Service a fee for final disposal of solid waste at any solid waste disposal project located in that county.

(e) [All] UNLESS OTHERWISE AGREED IN A CONTRACT, contracts for projects shall be reviewed at least biennially by the Service and by the other contracting party, but a contract may be reviewed upon the request of either party at any time for the purpose of renegotiating rates, fees, or other charges exacted by the Service.

[3-110.] 3-109.

(a) (1) Upon failure of a municipality to comply with an order of the Secretary of the Environment to provide a sewerage system or refuse disposal works as provided for in Title 9 of the Environment Article, the Secretary of the Environment shall direct the Service to install or put into operation sewerage or refuse disposal facilities to satisfy the requirements of the order.

(2) Upon receipt of the directive from the Secretary of the Environment, the Service shall proceed to install and put into operation sewerage or refuse disposal projects to comply with the directive. Every cost the Service incurs to construct and operate the projects shall be charged to the municipality against which the order is issued.

(3) Funds to pay the Service for construction and operation of projects may be raised under Title 9 of the Environment Article.
