REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from the first clause of former Art. 10, § 5.

Subsection (b) of this section is standard language added to state expressly that which only was implied in the former law -- i.e., subject to the rules of the Court of Appeals, the Board determines the times and places of examinations.

Subsection (c) of this section is standard language added to conform to the practice of the Board. It provides an element of fundamental fairness by requiring the Board to give qualified applicants notice before the administration of examinations.

Subsection (d) of this section is standard language substituted for the second sentence of former Art. 10, § 3(b), which required examinations "touching ... [the applicant's] qualifications for admission to the bar". The substituted language clarifies that, subject to the rules of the Court of Appeals, the Board determines the content and scoring of the required examinations.

Subsection (e) of this section is new language derived without substantive change from the first sentence of former Art. 10, § 3(c).
