

Former Art. 10, § 3(a), which required an applicant, before entering law school, to file with the Board "an application for registration as a law student", and the second clause of the third sentence of (b), which prohibited examination of an individual who failed to register, are deleted as obsolete.

The first sentence of former Art. 10, § 3(b), which allowed the registration required under § 3(a) to be transferred from a state with similar registration standards, is deleted as obsolete.

Former Art. 10, § 26E, which provided that former Art. 10, §§ 26A through 26F could be cited as the Model Act Providing Remedies for the Unauthorized Practice of Law, is deleted since the Business Occupations Article Review Committee believes that, in light of the revision of the former sections in Subtitle 4 of this title, the provisions no longer can be called a Model Act.

Former Art. 10, § 26F, which provided for severability of the provisions of former §§ 26A through 26E, is deleted as unnecessary in light of Art. 1, § 23 of the Code.
