

VETOES

program for the community colleges would be appropriate at this time.

For these reasons, I have decided to veto House Bill 1362.

Sincerely,
William Donald Schaefer
Governor

House Bill No. 1362

AN ACT concerning

Health Manpower Shortage Training Grant Program

FOR the purpose of establishing a Health Manpower Shortage Training Grant Program for community colleges for certain students who graduate from certain educational programs leading to licensure or certification in health occupations determined to be in short supply; requiring the State Scholarship Administration, in consultation with the Secretary of Health and Mental Hygiene to adopt certain regulations and implement the Program; providing certain eligibility requirements for community colleges; requiring a certain computational procedure for calculating the amount of grant an eligible community college may receive; requiring the grant to be used for certain purposes; requiring the Secretary of Health and Mental Hygiene to make certain projections on the availability of certain health occupations; requiring the State Scholarship Administration to discontinue issuing new grants under certain circumstances; requiring existing grants to continue for certain students under certain circumstances; and generally relating to the establishment of the Health Manpower Shortage Training Grant Program.
