

REVISOR'S NOTE: Subsection (a) of this section is standard language added to introduce the basic requirements for an applicant for a license.

Subsections (b) through (d) of this section are new language derived without substantive change from the second sentence and, as it related to the qualifications of applicants for a license, the second clause of the first sentence of former Art. 74, § 3.

In subsection (c) of this section, the duties to hold "a limited license" and "provide pilotage" are substituted for the former duty to "serve ... as a lawful pilot", to conform to terminology used throughout this title and to clarify that the former reference to a "lawful pilot" referred to a pilot who held a limited license. Accordingly, the former reference to apprenticeship is omitted, as this requirement must be met to qualify for a limited license.

Defined terms: "Board" § 11-101
 "License" § 11-101 "Limited license" § 11-101
 "Provide pilotage" § 11-101

11-405. APPLICATIONS FOR LICENSES.

TO APPLY FOR A LICENSE, AN APPLICANT SHALL SUBMIT TO THE BOARD AN APPLICATION ON THE FORM THAT THE BOARD PROVIDES.

REVISOR'S NOTE: This section is standard language substituted for the provisions of the first sentence of former Art. 74, § 4(b) that required an applicant to apply only in April or May unless the Board in its discretion allowed otherwise. This substitution reflects that, since the Board was made a part of the Department, the Board has the capability to accept applications at any time of the year.

Defined terms: "Board" § 11-101
 "License" § 11-101
