

BALTIMORE COUNTY

Effective Date May 26, 1988.

Bill No. 33-88

AN ORDINANCE concerning

Grading, Sediment Control and Forest Management

FOR the purpose of adopting certain requirements relating to grading, sediment control and forest management; requiring grading, sediment control and forest management plans; providing for the issuance of grading permits; providing for fees and security; providing general requirements for grading and sediment control; defining certain terms; and providing for civil and criminal penalties and generally relating to grading, sediment control, and forest management.

BY repealing

Sections 5-21 through 5-30
Article III. Excavations, Grading and Sediment Control
Baltimore County Code, 1978, 1986 Cumulative Supplement

BY adding

Sections 38-5 through 38-18
Article II. Excavations, Grading, Sediment Control and
Forest Management
Baltimore County Code, 1978, 1986 Cumulative Supplement

Effective Date June 13, 1988.

Bill No. 34-88

AN ACT concerning

The Department of Environmental Protection and Resource
Management's supervision of land use in the
Chesapeake Bay Critical Area

FOR the purpose of establishing regulations in compliance with the Chesapeake Bay Critical Area law; prohibiting land disturbance in habitat protection areas with certain exceptions; providing for forest replacement and buffers; providing limits to expansion of agricultural uses and implementation of an approved soil conservation and water quality plan; providing for control of forestry and tree clearing activities; regulating cutting of trees and vegetation in buffers, and generally requiring compliance with other laws and regulations.
