

(II) HAS PASSED AN 8-HOUR WRITTEN EXAMINATION IN THE PRINCIPLES AND PRACTICE OF ENGINEERING GIVEN BY THE BOARD UNDER THIS SUBTITLE.

(2) IF AN APPLICANT HAS COMPLETED 1 OR MORE YEARS OF A COLLEGE OR UNIVERSITY CURRICULUM IN ENGINEERING THAT THE BOARD APPROVES, IT MAY ALLOW, FOR EACH OF THOSE YEARS, A 1-YEAR CREDIT TOWARDS THE EXPERIENCE REQUIREMENT OF PARAGRAPH (1)(I) OF THIS SUBSECTION.

(E) SUBSTITUTION OF TEACHING FOR WORK EXPERIENCE.

IF AN APPLICANT HAS TAUGHT ENGINEERING AS AN ASSOCIATE PROFESSOR, OR IN A HIGHER POSITION, IN A COLLEGE OR UNIVERSITY, THE BOARD MAY COUNT THE TEACHING EXPERIENCE AS WORK EXPERIENCE FOR PURPOSES OF THE EXPERIENCE REQUIREMENTS UNDER ANY SUBSECTION OF THIS SECTION.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 75 1/2, § 12(f), (g), the first sentence of (b)(1), the first sentence of (2), and the first sentence of (3), and, as it related to professional engineers, the fourth sentence of (a).

In subsections (b)(1)(i) and (c)(1) of this section, the references to graduation from a "college or university" are added for clarity.

In subsections (b)(1)(ii) and (c)(2) of this section, the word "additional", which formerly modified the references to experience, is deleted as superfluous.

In subsection (c)(3)(i) of this section, the former reference to the examination being "designed to show knowledge and skill equivalent to that obtained through graduation from an approved four-year engineering curriculum" is deleted as unnecessary and misleading since the examination required under subsection (c)(3)(i) of this section is the same as that given to an applicant who has graduated from an approved curriculum.

Subsection (d)(2) of this section is revised to apply only to subsection (d), although former Art. 75 1/2, § 12(g) also referred to the provisions revised in subsection (c) of this section. The former reference erroneously indicated that an applicant could have counted the same time to meet both the educational and experience requirements.
