

(2) AN APPLICATION SHALL BE MADE UNDER OATH.

(C) ADDITIONAL EVIDENCE.

IF THE BOARD FINDS THAT AN APPLICATION FORM AND THE ACCOMPANYING DOCUMENTATION DO NOT DEMONSTRATE THAT THE APPLICANT MEETS THE REQUIREMENTS FOR A LICENSE UNDER THIS SUBTITLE, THE BOARD MAY REQUIRE THE APPLICANT TO SUBMIT ADDITIONAL INFORMATION OR DOCUMENTATION.

REVISOR'S NOTE: This section is new language derived without substantive change from the fourth sentence of former Art. 75 1/2, § 13(a), the second and third sentences and, as it related to professional engineers, the first sentence of § 12(a) and the third sentence of (b)(1), the second sentence of (2), and the second sentence of (3), § 1(b), as that subsection related to evidence of qualifications, and the first sentence of § 9, as that sentence related to payment of fees to the Board.

In subsection (a)(3) of this section, the reference to an "application" fee is substituted for the former reference to an "examination fee" because the Board charges a single fee, which is paid on application for both the application and examination process. Therefore, former Art. 75 1/2, § 13(c), which provided that, if the Board does not issue a license to an applicant, the initial fee would be retained "as an application fee", is deleted as unnecessary.

In subsection (b)(1)(iv) of this section, the former reference to a "certificate issued by the National Council of Engineering Examiners or its successor" is deleted as unnecessary since it was merely an example of other "relevant" information that could be required in an application for a license and did not enhance the general statement that an application form may require additional relevant information.

Defined terms: "Board" § 14-101
"License" § 14-101
"Professional engineer" § 14-101

14-307. EXAMINATIONS -- IN GENERAL.

(A) RIGHT TO EXAMINATION.

(1) AN APPLICANT WHO OTHERWISE QUALIFIES FOR A LICENSE IS ENTITLED TO BE EXAMINED AS PROVIDED IN THIS SECTION.

(2) SUBJECT TO § 14-310 OF THIS SUBTITLE, AN INDIVIDUAL MAY TAKE THE EXAMINATION IN THE FUNDAMENTALS OF ENGINEERING BEFORE MEETING OTHER QUALIFICATIONS FOR A LICENSE.
