REVISOR'S NOTE: Subsection (a)(1) of this section is standard language added for clarity. See the General Revisor's Note to this article.

Subsection (a)(2) of this section is new language added to provide a convenient cross-reference to provisions that authorize the early administration of the "fundamentals" examination.

Subsection (b) of this section is new language derived without substantive change from the first sentence of former Art. 75 1/2, § 14(a).

Subsection (c) of this section is standard language added to conform to the practice of the Board and to similar provisions elsewhere in this article. It provides an element of fundamental fairness by requiring the Board to give qualified applicants notice before the administration of examinations.
