

(3) AS AN OFFICER OR EMPLOYEE OF A CORPORATION,  
SUBJECT TO THE CONDITIONS PROVIDED UNDER § 14-302 OF THIS TITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 75 1/2, § 17A.

Former Art. 75 1/2, § 17A was enacted under Ch. 584, Acts of 1974. At that time, the former cross-reference to "subsections (c), (d) and (e) of § 19 of this article" was proper. However, Ch. 763, Acts of 1977, amended former § 19 and redesignated subsections (c), (d), and (e) as items (3), (4), and (5), respectively. Therefore, in the revision of this section, the Business Occupations Article Review Committee interpreted the former cross-reference as a reference to former Art. 75 1/2, § 19(3), (4), and (5).

"Practice engineering" § 14-101  
"Professional engineer" § 14-101

14-507. PRACTICING WHILE NOT QUALIFIED.

AN INDIVIDUAL WHO IS AUTHORIZED TO PRACTICE ENGINEERING MAY NOT PRACTICE OR OFFER TO PRACTICE ENGINEERING IN THOSE AREAS OF ENGINEERING IN WHICH THE INDIVIDUAL IS NOT COMPETENT TO PRACTICE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 75 1/2, § 18(a)(7).

The Business Occupations Article Review Committee notes, for consideration by the General Assembly, that the meaning of former Art. 75 1/2, § 18(a)(7) is unclear. The Committee has interpreted the former prohibition against practicing "when not qualified" to refer to an individual who, while authorized to practice engineering, undertakes a project that is outside the individual's area of professional competence. The Office of the Attorney General concurs with this interpretation. The Business Occupations Article Review Committee suggests that the General Assembly may wish to further clarify the intent of this section.
