

REVISOR'S NOTE: This section is new language derived without substantive change from the first clause of the first sentence of former Art. 56, § 336(e), as that clause related to the certificate of authorization required for corporations and partnerships, and revised to state affirmatively that a corporation or partnership must hold a permit to operate a business that provides land surveying or property line surveying services.

The defined term "permit" is substituted for the former reference to the "certificate of authorization" of a corporation or partnership, to provide a term that describes the authority granted a corporation or partnership and is consistent with the language used to describe similar grants of authority in connection with other business occupations that are regulated under this article. See the General Revisor's Note to this article.

Defined terms: "Board" § 15-101
 "Permit" § 15-101
 "Practice land surveying" § 15-101
 "Practice property line surveying" § 15-101

15-403. APPLICATIONS FOR PERMITS.

AN APPLICANT FOR A PERMIT SHALL:

(1) SUBMIT TO THE BOARD AN APPLICATION ON THE FORM THAT THE BOARD PROVIDES; AND

(2) PAY TO THE BOARD AN APPLICATION FEE OF \$50.

REVISOR'S NOTE: Item (1) of this section is standard language added to state expressly that which only was implied in the former law -- i.e., permit applications must be made but only on the form that the Board provides.

Item (2) of this section is new language derived without substantive change from the first clause of the first sentence of former Art. 56, § 336(e) and, as it related to payment of fees to the Board, the first sentence of § 334(a).

In item (2) of this section, the reference to an "application" fee is substituted for the former reference to a "registration fee" since the fee is, in fact, paid on application for a permit. Therefore former Art. 56, § 336(f), as that subsection provided that, if the Board did not issue a permit to an applicant, the fee would be retained "as an application fee", is deleted as unnecessary.
